

# Cartoons for the Classroom

Presented in cooperation with the Association of American Editorial Cartoonists (AAEC)

## A Wise Economist Asks a Question

### Draw your own conclusions

Study the drawing and fill in your own message in the balloon. It can be funny or serious. There is no wrong answer, so just have fun and be creative!

John McCutcheon / Chicago Tribune, 1931, reprinted with permission

### Try out different captions

Write your rough drafts here before filling in the top .
