Protect Your Homebase

- First base ensures that you have adequate insurance coverage.
- Tag second base by securing important documents.
- Round third base by having the ability to recover after a storm.

Topics will include how to:

- Ensure adequate coverage
- Safeguard important documents
- Prepare an itemized inventory
- Create and execute an evacuation plan
- Properly file a claim
- Strengthen your home

Attend one of four Protect Your Homebase webinars and be entered to win a gift pack including a \$25 Home Depot gift card, Midland NOAA Weather Radio and a FLASH t-shirt.
