

» Thank you for sharing the news!

The *Tampa Bay Times* would like to thank the businesses, organizations and individuals who supported our Newspaper in Education (NIE) program during the 2010 - 2011 school year.

NIE provides Tampa Bay area schools with free access to the Times and related learning materials. Tampa Bay area teachers order more than 5 million print and electronic newspapers for their classrooms every year.

One hundred percent of gifts to NIE are used to provide educational resources to local schools. We are grateful for the support of the many generous businesses, organizations and individuals who support our mission.

By supporting NIE, you are directly impacting classrooms in our community and helping to improve students' academic achievement, create lifelong readers and cultivate informed and engaged citizens.
