### Talking Points

1. Why is the March 8 disappearance of Malaysian Airlines Flight 370 big news around the world?
2. What lets the top cartoon work without words?
3. What political symbol is in the second cartoon's last panel?
4. How does this mystery involve electronic technology?
5. What does the search show about relations between countries?

### Between the Lines

"The police have been investigating the pilot, co-pilot and other crew members of the missing Malaysia Airlines flight since the day of its disappearance, Malaysia's Transport Ministry said in a statement on Monday." - New York Times article, March 17, 2014
