### Talking points

1. How do these cartoonists illustrate their concerns about sending more U.S. troops to Iraq? What are their warnings?
2. What should the U.S. do about ISIS terrorists?
3. What should neighboring countries do about the ISIS threat to their people?
4. Should the U.S. send troops to fight terrorists anywhere and everywhere in the world?
5. When should we make war?
6. Would you volunteer to fight against ISIS in Iraq, Syria and elsewhere? Why or why not?
