Cartoons show storms of controversy

Talking Points

1. How are these cartoonists using news about a hurricane to illustrate much different issues?
2. These cartoons are actually commenting which other recent news events?
3. Is this a good method to deliver a message? Is it clear to you?
4. These are only two recent cartoons that use a hurricane to illustrate their messages. Can you find some other examples? (Try <https://www.cagle.com/> or <http://editorialcartoonists.com/>.)
5. What subjects do the other cartoons cover?
6. Which is your favorite? Why?

Between the lines

"This is a big win for Mueller's team. Gaining Manafort's cooperation has always been viewed as the Holy Grail of this investigation," - Robert Mintz, former federal prosecutor.
