Is Trump hoping for a rerun in 2020?

Talking Points

1. What are these cartoons saying about President Donald Trump kicking off his campaign for reelection in 2020?
2. Why does he keep attacking Hillary Clinton, who lost in 2016 and is not running now?
3. More than 20 Democrats are running for president. Do you think any of them could defeat Trump? Why or why not?
4. Could Trump win if he is impeached by the House but not convicted by the Senate?
5. Could he win if the U.S. economy crashes into a recession?

Between the lines

"They want to destroy you, they want to destroy America as we know it." President Trump said of Democrats.
