Talking Points

1. What are these cartoons saying – with a bloody hand or a broken pencil point – about the second impeachment of President Donald Trump?
2. Why did the U.S. House of Representatives vote to impeach Trump again with only a few days left in office?
3. Is this impeachment an empty gesture or could it have real consequences?
4. Could the Senate vote to bar Trump from holding U.S. office?
5. Unlike the first impeachment, some Republicans also voted to oust Trump. Why the change?

Between the lines

“He also willfully made statements that ... resulted in lawless action at the Capitol, such as: ‘if you don’t fight like hell you’re not going to have a country anymore.’” – Article of Impeachment for Donald Trump
