1. What are these cartoons saying about former President Donald Trump's indictment in a hush-money payment case?
2. Will the New York indictment help or hurt Trump's campaign to return to the White House?
3. Did it help him raise money?
4. Trump once said he could shoot someone on Fifth Avenue and not lose any votes. Is there anything that could deter his supporters?
5. If Trump is charged with election tampering or instigating the Jan. 6 riot, could that hurt his chances?
6. Could he win the popular vote?
7. Are you getting tired of reading and hearing about Trump?

### Between the lines

"He may be in legal jeopardy in the courts, but I do not think that he is in jeopardy of losing support in the court of public opinion – at least not with his supporters." – Jennifer Mercieca, Texas A&M University.
