1. What are these cartoons saying about the election of Donald Trump to a second term as president and its impact on the rest of the world?
2. Trump called climate change a hoax. What do you expect him to do about it? How could he affect climate efforts of other nations?
3. Trump called for big tariffs on goods imported to the United States. How will this affect prices? Do you expect other nations to respond with taxes on U.S. goods?
4. U.S. allies worry about Trump's criticism of NATO. Do you think we will leave the military alliance?
5. What do you expect Trump to do about the wars in Ukraine and the Middle East?

Between the lines

"I don't see a great future for European democracies, if there is not a strong democratic America as a rock to lean on." — Nicole Bacharan, a political scientist in Paris.
