Are Republicans slipping on ICE?

1. How do these cartoons illustrate polls that found about 60% of voters say Immigration and Custom Enforcement (ICE) has gone too far in its crackdown?
2. Even some Republicans called for Homeland Security Secretary Kristi Noem to quit after federal agents killed two U.S. citizens in Minnesota. What did Noem call those slain citizens?
3. President Donald Trump's overall approval rating has sunk to 38%. Could that hurt Republicans in Congressional and state elections later this year?
4. What issues are voters most worried about? Inflation? Health care? Immigration? Tariffs? U.S. military actions overseas?

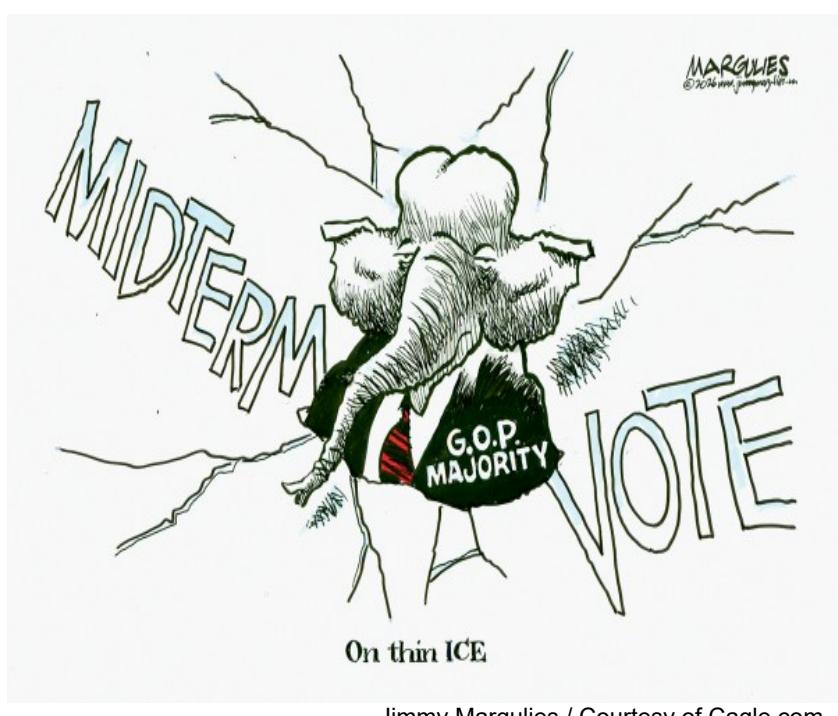

Between the lines

"The tragedy and chaos the country is witnessing in Minneapolis is shocking. ICE agents do not have carte blanche in carrying out their duties." - Sen. Lisa Murkowski R-Alaska.
