

# Cartoons for the Classroom

Presented by NIEonline.com and the Association of American Editorial Cartoonists (AAEC)

## Is Iran deal a win, a loss, or what?

Rick McKee / Courtesy of Cagle.com

1. What classic images do these cartoonists use to illustrate differing viewpoints about the agreement for a truce and negotiations between the United States and Iran?
2. Do you think President Donald Trump made a good deal to reopen the Strait of Hormuz to oil shipments in exchange for Iran getting hundreds of billions of dollars from reconstruction aid and relief from economic sanctions?
3. Did Trump make a deal because he was worried about this year's elections? Why or why not?
4. What has the United States gained in the conflict that cost us more than \$100 billion and killed thousands of people?
5. How is Israel, our ally in the conflict, reacting to the deal?

### Between the lines

"History teaches that giving billions of dollars to theocratic lunatics who want to murder us is not a good idea. I think the president is receiving some very poor advice on this deal." — Sen. Ted Cruz (R-Texas)
