What do you think?

“Middle School: The Worst Years of My Life” is filled with silly humor. Do you like that type of movie, or a movie that is more thoughtful? Write a brief essay explaining your preference.

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

She is a mean lady with a mettle cane who force the kids to do lots of chore's to keep the facillity spot less.

Summarize the story:

Use three sentences to tell about silkworms and graphene

1.

2.

3.

Look it up!

Many books include orphans as their main character. For each of these fictional orphans, tell the name of the book he or she first appeared in and its author. We've done the first (really easy) one for you.
