***What do you think?***

Old Man is a mischief-maker. Do you enjoy reading about people who break the rules, or do you find them unappealing? Write a brief essay about a book you're read with a mischief-maker as its main character. How did you feel about that character and that story?

***Proofreading:***

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

The book will kept you up all night, and fan's of Rick Riordans passed books will definitely not be dissappointed by this one.

***Summarize the story:***

Use three sentences to tell about Louis Sachar's new book, "Fuzzy Mud."

1.

2.

3.

***Look it up!***

Each of these stars is part of a constellation known for a meteor shower that comes from its direction. For each star, tell the name of the constellation it is in and the month when the meteor shower coming from that direction takes place. We've done the first one for you.
