

COLORADO KIDS WORD BANK

March 21, 2017

Beauty and the Beast

compelling -- to compel someone is to force them to do something; a compelling story is one you can't stop thinking about

riveting -- rivets hold pieces together securely; a riveting story is one that keeps you "attached" to it.

backstory -- the story that came before the current story

henchman -- an assistant to a villain

nordic -- having to do with Scandanavia, Finland and Iceland

versatile -- able to do many different things

Jasper and the Riddle of Riley's Mine

Klondike -- region in northwest Canada on the border with Alaska

stowaway -- person who sneaks onto a vehicle without paying

Vikings

afterlife -- the life that comes after you die

re-enactor -- person who studies history and pretends to be from another era

Ancient Skull

Neanderthal -- an extinct species of human named for the Neandertal region of Germany
