Fill in the letters to the correct answers above to solve this question:

This large animal is found in Colorado, but you may know it by its English name, not this other name for it, which comes from the Cree and Shawnee languages. _____

4 5 2 3 6 1

What do you think?

The story of the Magpie Bridge is about birds who help a young family. What’s your favorite story in which animals help someone human? Write a brief review of the story for someone who has never read it, to encourage them to try it. (It’s okay if it’s a story that everybody already knows.)

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

They have found that poeple hate ad's that pop up and block the site your trying to see, or that wont shut down when you try to leaf.

Summarize the story:

Use three sentences to tell about naked mole rats.

1.

2.

3.

Look it up!

For each of these national holidays, write down the country that celebrates it and what date it falls on. We've done the first one for you.

St. George's Day	England	April 23
