What do you think?

Big Nate’s grandfather found a way to avoid having to spend time with a boring friend who talks too much. Was it a clever way to handle the problem without offending her, should he have listened to her tell about her trip patiently, or should he have found a more honest way to deal with it? Explain your choice.

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

Not every colision results in death, but these events are to common, the experts explained When they look at living humpback’s, they still find that about a quarter have wunds or scars from ship strikes.

Summarize the story:

Use three sentences to tell about the problem of drugged driving.

1.

2.

3.

Look it up!
