

What do you know?

Colorado Kids: January 16, 2018

1. With which of these statements about “Paddington 2” would Marcus Turner NOT agree?
 - q. The plot is kind of complicated and very young kids might not know what’s going on.
 - r. The special effects are really well done.
 - s. It’s not as good as the first Paddington movie, but it’s still a lot of fun.
 - t. All of the above

2. Which of these descriptions apply to “The Thrifty Guide to the American Revolution”?
 - k. It’s very funny.
 - l. It is part of a series.
 - m. Despite the jokes, the history is fairly accurate.
 - n. All of the above

3. Which of these descriptions does NOT apply to “This is Our Constitution”?
 - v. It’s quite funny in places.
 - w. It goes through the entire Constitution and explains it.
 - x. Adults would also appreciate it.
 - y. All of the above

4. How does climate change alter the balance of male and female sea turtles?
 - c. Male sea turtles die in the warmer water.
 - d. Sea turtle sex is determined in part by the temperature of their eggs.
 - e. Mother turtles do not lay male eggs if they don’t think they’ll hatch.
 - f. All of the above

5. Why was it important to test the Webb Space Telescope in such cold temperatures?
 - b. It will be orbiting over the North Pole.
 - c. If it gets warm, it won’t be able to pull in as much light.
 - d. It has to be able to work in the cold vacuum of space.
 - e. All of the above

6. What historical fact might you learn from this week’s episode of “Hooch”?
 - d. In the 1920s, kid who spoke another language at home might be punished for speaking it in school.
 - e. In the 1920s, some families heated their houses with wood.
 - f. In the 1920s, Tootsie Rolls only cost a penny.
 - g. All of the above

Fill in the letters to the correct answers above to solve this question:

This Russian geographic term is for a wide open area of grasses and low bushes, which in America would be called a “prairie” and in South Africa, a “veldt.”

6 5 2 3 4 1

What do you think?

In “Hooch,” the uncles remember being punished for speaking French in school. Do you think kids learn English faster if they’re not allowed to use their home language, or was that rule mean? Explain your opinion.

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

The James Webb Space Telescop will lunch in 2019, and will join the hubble in exploring distint space.

Summarize the story:

Use three sentences to tell about The James Webb Space Telescope.

1.

2.

3.

Look it up!

For each of these books about animals behaving kind of like people, tell the year it was published and the name of the author. We've done the first one for you.
