### ***What do you think?***

Keeping museums up-to-date is expensive. Would you rather see museums have expensive tickets so the people who use them pay for them, or should the government use taxes so it can be cheap or free to go there?

***Proofreading:***

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

Mundy organizes the book around the differint locations in the United States where the femail code breaker's worked, and each section tell's the story of indeividual women who worked there.

***Summarize the story:***

Use three sentences to tell about the fire in Brazil's National Museum.

1.

2.

3.

***Look it up!***

For each of these famous American journalists, tell where they were born and their birth year and death year. We've done the first one for you.
