1            5            3            2            4            6

***What do you think?***

Each season on Titan is seven years long. Imagine your parents were colonists on Titan and that you were born there. How would your life be different today than their lives when they were your age?

**Proofreading:**

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

“I liked him better when he was only on charge of one kanoe, Marcel grumbled. “New men like to set speed record’s. I’d rather just arive safely.”

**Summarize the story:**

Use three sentences to tell about Chloe Whiteside’s review of “Hacker Cybersecurity Logic Game”

1.

2.

3.

**Look it up!**

For each of these famous leaders of indigenous people, tell the people they were leaders of, and their birth date (as closely as they are known). We’ve done the first one for you.
