Fill in the letters to the correct answers above to solve this puzzler:

When the United Kingdom leaves the European Union next month, London will no longer be the largest EU city, and this city will go from #3 to #2 in size.

2 5 6 3 4 1

What do you think?

As the old man tells the story of the hunter and the muskrat, Antoine and Marcel laugh even though they don’t understand all the words. What are some ways a storyteller can help make their story more fun?

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

NASA scientist's waited out the Marshan winter, hopping that, when the days grew longer and there was more sunshine, enough light would hit Opportunity's solar panels to power it back up and shake of the dust.

Summarize the story:

Use three sentences to tell what happened to Nate and Spitsy on the sledding hill.

1.

2.

3.

Look it up!

For each of these "Famous First" pioneers in Black History, tell what the person did for a living and the year each was born. We've done the first one for you.
