What do you think?

Have you ever seen the Milky Way? If so, tell about your experience. If not, tell about the best place near your home when you could see stars without a lot of light interfering. (Can you do the Orion test? Try it!)

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

News of the fire the Cathedral of Notre Dame in paris spred all over the world so quikly that my aunt herd about it before I did and texted me.

Summarize the story:

Use three sentences to tell about the robotics contest.

1.

2.

3.

Look it up!

For each of these constellations, tell whether it is a person, an animal or an object, and in which season people in Colorado will get the best view of it. We've done the first one for you.
