Fill in the letters to the correct answers above to solve this puzzler:

If you want to see a real, live devil, perhaps you should go to this city.

6 5 2 3 4 1

What do you think?

People from the Denver Zoo were able to fly to South Africa and help save lesser flamingo chicks from dying. If you could travel to another country and help a particular type of animal, where would you go and what animal would you want to help? Why? Write a brief essay explaining your choices.

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

This is a book that seemed hard to understand at first, but, as the plot developed, it became hard to put down.

Summarize the story:

Use three sentences to tell about the Apollo 11 mission at DMNS.

1.

2.

3.

Look it up!

Venezuela and Colombia share a border, as do the fictional land of our serial story and Ruritania. For each of these countries, tell what nation shares the longest border to its north and what nation shares its longest southern border. We've done the first one for you.
