6      5      2      3      4      1

***What do you think?***

William McKeever says sharks aren’t as bad as people think. Can you think of another animal that is always fierce and bad in stories but isn’t really so bad in reality? Write a brief essay explaining your choice.

***Proofreading:***

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

The character's, despite not having much time to develop, have well deafened personalities that provide conflicts and relationships to help move the plot along.

***Summarize the story:***

Use three sentences to tell about New Mexico's plan for college students.

1.

2.

3.

***Look it up!***

For each of these science fiction stories, tell the name of the author and the year it was published. We've done the first one for you.

A Wrinkle in Time	Madeleine L'Engle	1962
Aliens for Breakfast		
The Giver		
The Martian Chronicles		
Mrs. Frisby and the Rats of NIMH		
Zita the Spacegirl
