

## What do you know?

Colorado Kids: February 18, 2020

1. Which of these statement best sums up Sylvia Goodman’s review of the “Sonic the Hedgehog” movie?
  - q. Original fans will like it, but younger kids won’t get it.
  - u. Younger kids will like it, but fans of the original will be disappointed.
  - l. The movie does a nice job of putting the best of the original in with some new, fun touches.
  - p. all of the above
  
2. What is Izzie Intriago’s opinion of the Ritzi Rollerz “Dance N Dazzle Spa”?
  - k. A terrific toy for all ages!
  - i. A good gift for your little sister.
  - t. Fun, but too complicated for younger kids.
  - g. all of the above
  
3. With which of these statements about plastic would Marcus Eriksen NOT agree?
  - u. If we all stop using plastic bags and plastic straws, that can end the problem.
  - w. The oceans are already heavily polluted with plastic garbage.
  - b. Plastic pollution is more than just ugly; it damages the environment.
  - r. all of the above
  
4. Why is it important to take an accurate Census every 10 years?
  - o. To make sure each state has the right number of representatives in Congress.
  - r. To know how many poor people there are so we can help them.
  - e. To make sure we have a good number of schools for the number of kids in each community
  - s. all of the above
  
5. What should you start doing now if you’d like to be an astronaut some day?
  - t. Stay physically fit.
  - c. Study hard and get good grades in STEM courses.
  - h. Plan on going to college, and not just for four years.
  - a. all of the above
  
6. Which of these statements about Leadville is NOT true?
  - y. It has the highest elevation of any city in the United States.
  - e. It has a very colorful history.
  - k. People there don’t have much of a sense of humor or any appetite for adventure.
  - g. all of the above

***Fill in the letters to the correct answers above to solve this puzzler:***

This gentle dog is a “sighthound,” an extremely fast running dog from the Middle East that was used to hunt antelope and other equally fleet game animals.

### ***What do you think?***

Both of the novels reviewed this week are part of a series. Do you enjoy book series, or do you prefer books with a single start and finish? Use some examples to explain your answer in a brief essay.

***Proofreading:***

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

I really licked this book because of the character's helping each other through their problums and the way they worked together to get through muddle school.

***Summarize the story:***

Use three sentences to tell what it takes to become an astronaut.

1.

2.

3.

***Look it up!***

For each of these famous voyages, tell where it started, and where it ended. We've done the first one for you.
