# Enter our student poster contest.

Show us how you're protecting our planet.

LADWP wants to encourage all students in the city of Los Angeles and Owens Valley to join the fight against climate change — so we're calling on you to submit original artwork illustrating how everyone can do their part. This includes participating in efforts that help endeavors in solar and wind power, recycling, stormwater and groundwater capture, conservation and energy efficiency.

## PARTICIPATION

Los Angeles city school students in grades 4–12 enrolled in LADWP's "Water, Energy, the Environment and You" program are eligible to participate. Prizes will be awarded in each grade level. Teachers of first–place student winners will also receive a prize.

Some winning artwork that focus on water may also be selected for consideration in a poster contest from the Metropolitan Water District. Details will be provided if selected.

## STUDENT POSTER CONTEST OFFICIAL RULES

The entry period for the Student Poster Contest ("Contest") runs from 11/15/2023 to 2/28/2024 ("Contest Period"). The sponsors of this Contest are Los Angeles Times Communications, LLC, 2300 East Imperial Highway, El Segundo, CA 90245-9700 and the Los Angeles Department of Water and Power, 111 North Hope Street, Los Angeles, CA 90012 ("Sponsors"). The Contest shall be subject to these Official Rules, and by entering, all participants agree to be bound by the terms and conditions herein.

**1) How to Enter:** Submit digital file or digitally scanned or photographed copy of your original physical artwork reflecting the theme of water and/or energy conservation. Information in the Artwork must be factual. Inaccurate information will result in disqualification, regardless of the quality of the Artwork. Background information should be obtained from the Times in Education curriculum: "Water, Energy, the Environment and You" and "Conservation Connection." Information about energy and water conservation can be found at [ladwp.com/save](http://ladwp.com/save). You must incorporate lettering in the form of a slogan into your Artwork. You must also accurately complete the Official Contest Entry Form, and your parent must sign and date the Entry Form (the Artwork and Entry Form shall be collectively referred to as the "Entry"). You do not need to submit an original Entry Form. Artwork with Entry Form must be submitted via a jot form that will be live on [nionline.com/latimes/contests.cfm](http://nionline.com/latimes/contests.cfm) when the poster contest information goes out. One entry per person.

**2) Winner Selection:** On or about March 2024, a panel of judges from the Los Angeles Department of Water and Power will select prizewinners by judging the Artwork based on the following criteria: quality of written headline in support of the theme, quality of the artistic concept, implementation of the Artwork, appropriateness of the Artwork for poster media and quality of the Artwork in relation to grade level. Judges reserve the right to omit awarding prizes in grades or award levels if it is deemed that the Artwork has not sufficiently met the criteria standards. Entrants agree that all decisions made by the panel of judges relating to any and all issues concerning this Contest are final and binding.

**3) Eligibility:** This Contest is open to any student in the fourth through 12th grades actively enrolled during the 2023-2024 school year at any public, private or parochial school (primary school must be registered or certified by the California Department of Education) within the city limits of the city of Los Angeles, including most of the San Fernando Valley, West Los Angeles, the Harbor area and the East Los Angeles area. Schools in the Owens Valley-Eastern Sierra area are also eligible to participate in the Contest. **IN ADDITION, TO BE ELIGIBLE THE STUDENT MUST BE IN A CLASS OR CLASSES IN WHICH THE TEACHER(S) ARE CURRENTLY PARTICIPATING IN THE "WATER, ENERGY, THE ENVIRONMENT AND YOU" TIMES IN EDUCATION PROGRAM.** Employees (and the employees' immediate family members living in the same household) of the Sponsors and their advertising companies, parent companies, affiliates, subsidiaries, promotion and delivery contractors and/or public relations companies affiliated with this Contest are not eligible to participate. A potential winner may be requested to provide the Sponsors with proof that the potential winner is the owner of the Artwork and that all eligibility requirements are met. To enroll in the program, teachers must submit the form found online at [nionline.com/latimes/order.cfm](http://nionline.com/latimes/order.cfm). **THIS CONTEST IS VOID WHERE PROHIBITED BY LAW AND OUTSIDE CALIFORNIA.**

**4) Winner Notification:** On or about April 15, 2024, Sponsors will attempt to notify the potential winners by contacting the teacher listed in the Entry. If a potential winner's teacher cannot be contacted or does not respond within 72 hours of the first contact attempt, or if a potential winner does not fulfill the eligibility requirements or does not adhere to the Official Rules, that potential prizewinner may be disqualified, and Sponsors may select a new potential winner by the same criteria set forth above. Prizewinners and their parents may be required to sign and return an Affidavit of Eligibility, Liability Release and a Publicity Release. If such documents are required, failure to return all such documents set forth herein within one week of the date they are sent to the winner will result in the winner being disqualified and another winner may be selected from remaining eligible Entries, based on the criteria set forth above.

**5) Prizes:** One first prize, one second prize and one third prize will be awarded in each of grades four through 12 provided a sufficient number of eligible entries are received in each grade. At the discretion of the judges, if submitted entries are not deemed to be of sufficient merit to be recognized with first-, second- and/or third-place awards at specific grade levels, Honorable Mention recognition may be presented in lieu of these awards.

Honorable Mentions may also be presented at other grade levels where sufficient Entries were received and/or judges determined that the appropriate level of merit was achieved. The prizes for the winners in each grade are as follows: first prize: \$100 Visa prepaid card; second prize: \$75 Visa prepaid card; third prize: \$50 Visa prepaid card.
