Newspaper in Education (NIE) provides schools with class sets of the Pulitzer Prize-winning Tampa Bay Times and related learning materials at no cost to schools, teachers or families.

Thanks to the generosity of supporters like you, NIE provided almost 10 million digital licenses and more than 200,000 print copies of the Times to classrooms in 2022-2023.

Teachers use the Times to enrich their classroom lessons and help students see the connection between academic learning and the wider world.

By supporting NIE, you have a direct impact on classrooms in our community. Thank you.
