Hillsborough County Falkenberg Advanced Water Treatment Plant

Empowering Communities: “Understanding Wastewater Impact”

In this workshop, participants will gain firsthand insight into Hillsborough County’s wastewater system and explore environmental outreach efforts and customer programs that communities can engage in to improve wastewater practices. Additionally, participants will have the option to **tour the County’s Wastewater Facility***.

Refreshments will be provided with door prizes and giveaways. There is no charge to attend, but registration is required.

Space is limited to 45 participants.

*Optional wastewater facility tour participants must be over 18 years of age, long pants (no short or skirt/dress) and closed-toe flat shoes such as sneakers are required. Long sleeves and facemasks are recommended.

To register: Scan the QR Code to RSVP.

If you have any questions, please email: GotGrease@HCFL.gov or 813-307-1769
